

We Care Connect is a Central Coast Charity, based at Wyong, which assists kids in poverty.

Our Club has decided to adopt WCC as our Charity. In addition to a specific donation of \$500 we will send all “Wrong Bias” funds collected to them. We plan to match the “WB” collections dollar for dollar.

Several of our members already have close associations with WCC. Rob Dixon is Chairman of their Board of Directors and Ariane Dixon is a Board member. Sue Ward uses her Inner Wheel connection to shop for clothing bargains. Others support them directly with donations.

Check their website, <https://wecareconnect.org.au/our-story/> to see how they are helping thousands of Central Coast kids on a daily basis.

TOGETHER WE ARE MAKING A DIFFERENCE

Every family we support is different, but they share one thing in common: kids who urgently need help.

Help us change the story on childhood poverty.

We Care Connect is a local charity that rehomes quality preloved children's essentials with families who need them most.

Together we make a difference. Together we support thousands of kids in crisis.

Together we can remove the barrier of childhood poverty.
